CMI WATER PROGRAM CALL FOR WORKING PAPERS

CENTER for MEDITERRANEAN
INTEGRATION | CENTRE pour
l'INTÉGRATION en MÉDITERRANÉE
مركز التكامل المتوسطي

OBJECTIVES

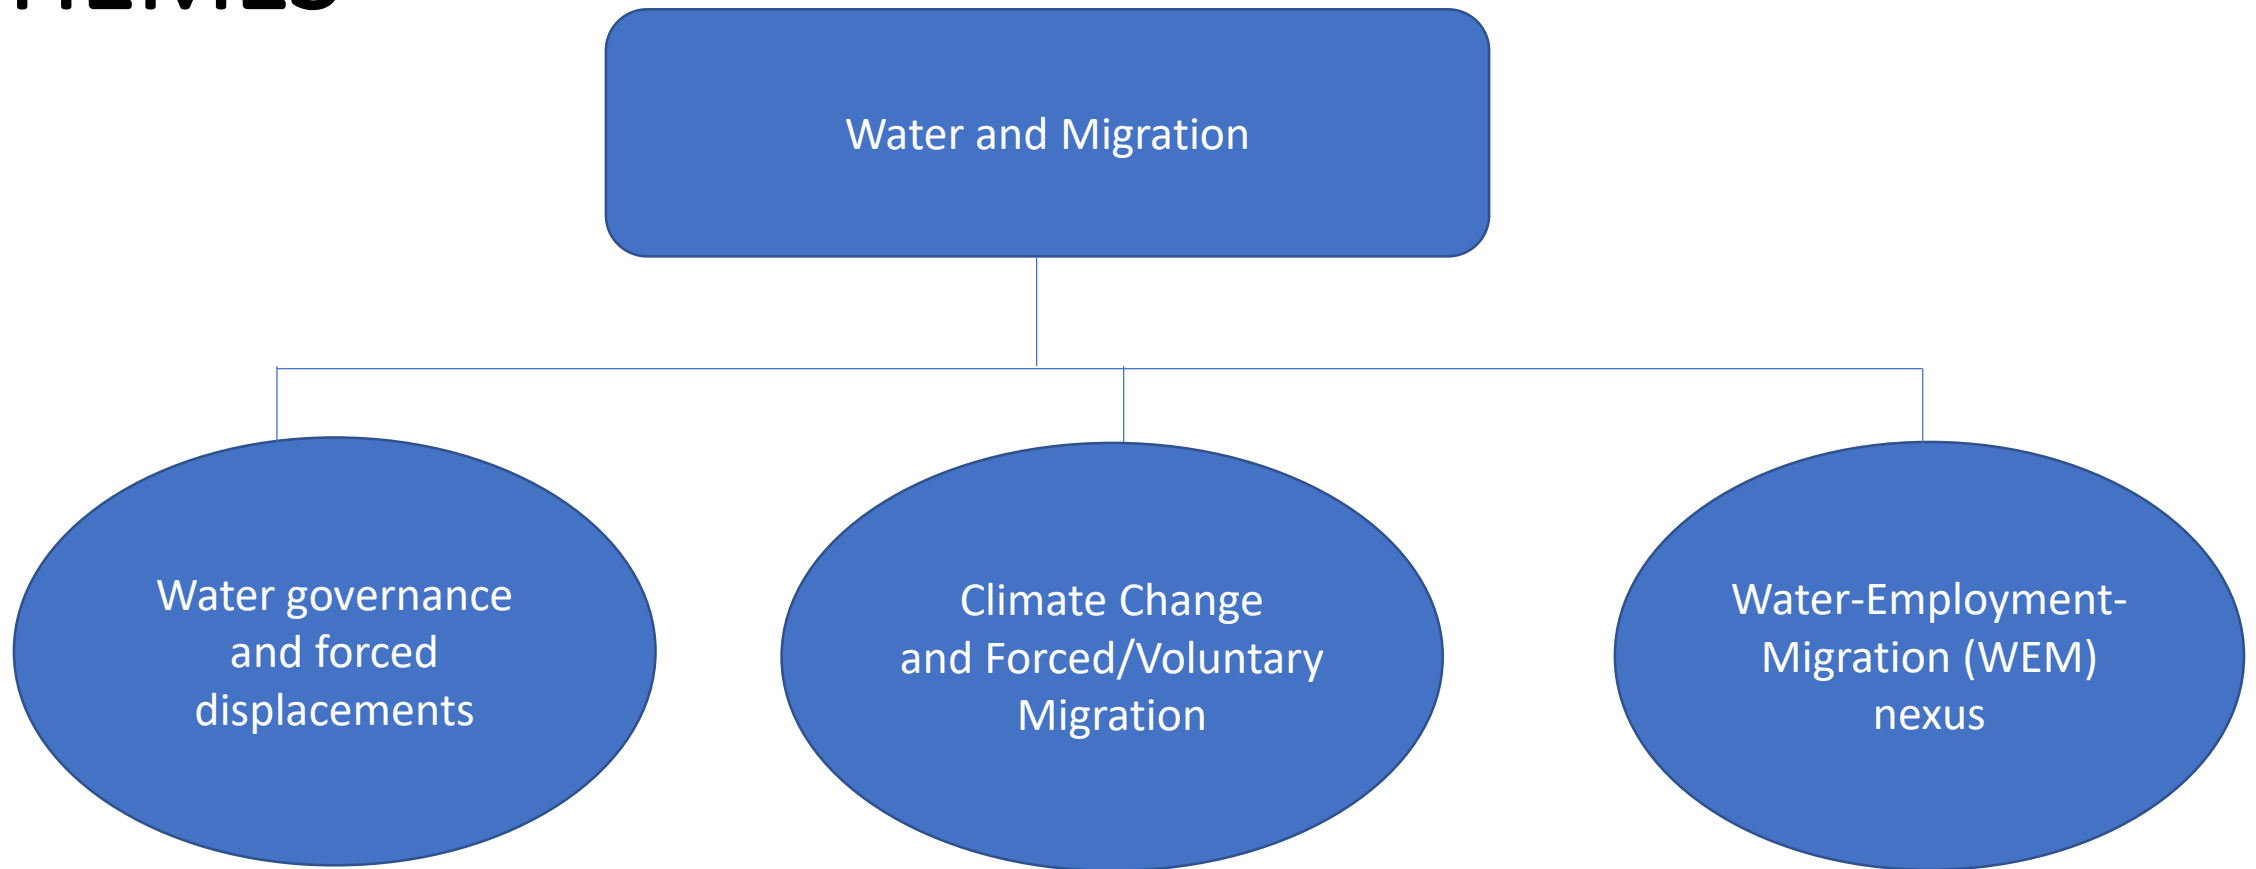

- Developing analytical research papers at the country and cross-country levels driven by MedYWat members;
- Identifying, generating and disseminating quality research that will bridge the gap in terms of the availability of youth-driven policy research;
- Encouraging cross-national research topics between south-south Mediterranean countries and north-south Mediterranean countries.

THEMES

CENTER for MEDITERRANEAN
INTEGRATION | CENTRE pour
l'INTÉGRATION en MÉDITERRANÉE
مركز التكامل المتوسطي

Mentoring

- The CMI water team identified a senior lead expert to each of the themes in order to provide feedback and inputs at each stage of the writing process;
- The selected MedYWat teams were supported by senior experts, to ensure effective peer-learning and mentoring opportunities;

APPROACH and WORKING PAPER DEVELOPMENT

<p>Call for application October – November 1st</p>	<p>Open only to MedYWat members and associated researchers. Group submissions can include non-MedYWat members as long as at least one of the co-authors is a MedYWat member.</p>
<p>Selection Mid November</p>	<p>5 group application selected: 3 under the Water governance and forced displacements, 1 under Climate Change and Forced/Voluntary Migration and 1 under Water-Employment-Migration (WEM) nexus</p>
<p>Matching with mentors and drafting Mid November – Mid January</p>	<p>Groups were matched with their mentors and senior experts. Three rounds of feedback meeting were scheduled in which group members interacted with the mentors in addition to email exchanges during the drafting period</p>
<p>Review</p>	<p>The final papers were subject to a final peer review by the CMI Water Hub members</p>
